Wellness for Everyone, Everywhere, & Every Time

## ABOUT US

At Health Kiosk For All Inc., we believe that quality healthcare is a right for everyone; regardless of where they live or the challenges they face. As a US-based, woman-owned healthcare company, our mission is to break down barriers and redefine healthcare delivery by making services accessible, affordable, and personalized.

Guided by our motto, Wellness for Everyone, Everywhere, & Every Time, we design our innovative digital health platforms and community-based initiatives to bring comprehensive care directly to your neighborhood.

We are dedicated to ensuring that you and your loved ones have access to the best in modern healthcare. Whether you need quick health screenings, ongoing wellness education, or specialized care for senior citizens, our tailored

solutions are crafted with compassion and efficiency to meet your unique needs. We stand by our commitment to foster wellness at every touchpoint; ensuring quality care is available to everyone, everywhere, and every time.

Whether you are a family seeking reliable healthcare solutions, a senior in need of comprehensive care, or a community organization striving to uplift your neighborhood, Health Kiosk For All Inc. is here for you.

Experience healthcare reimagined where our promise of Wellness for Everyone, Everywhere, & Every Time ensures that quality care is always just a heartbeat away.

## VISION

To be the global leader in delivering innovative, sustainable healthcare solutions that empower communities and enhance quality of life, ensuring Wellness for Everyone, Everywhere, & Every Time.

## MISSION

We strive to provide affordable, equitable, and high-quality healthcare services by deploying smart digital platforms, comprehensive capacity-building initiatives, and strategic partnerships.

Our mission is to implement integrated, community-based systems that drive measurable improvements in health outcomes, uphold our promise of Wellness for Everyone, Everywhere, & Every Time, and foster lasting, positive social impact.

## WHAT WE OFFER

### Health Equipment Supplies and Health Kiosk Technology

For those seeking convenient and reliable health solutions, we provide cutting-edge Health Kiosk Technology. Our self-check kiosks offer fast, accurate health screenings that deliver immediate access to vital health information in community centers, clinics, and local events.

### Global Health Consulting

Our team of experts is here to support you. We offer guidance on project management, health program evaluation, and strategic advice for community organizations and local healthcare providers, ensuring you receive the best care and support possible.

### Training and Capacity Development

We offer accessible health prevention and

wellness training programs tailored for individuals and community organizations. Our sessions are designed to help you learn practical, actionable steps to maintain a healthy lifestyle while empowering local groups to mobilize resources and support their communities.

### Smart Health Services

Imagine having state-of-the-art health screenings and telemedicine consultations available right in your community. Our Smart Health Services are available in all locations, offering fast, accurate biometric screenings, digital consultations, and advanced diagnostic tools that bring comprehensive care directly to you.

### One-Stop-Shop Senior Citizens Center

Our integrated Senior Citizens Center is a welcoming space focused on the health and well-being of our elders. Primarily applicable in regions outside the US, these centers provide

## WHAT WE OFFER CONT.

comprehensive day care, residential services, engaging social and recreational activities, and specialized medical care to ensure dignified and graceful aging.

### Smart Village Services

We proudly create vibrant, sustainable communities with our Smart Village Services. This innovative program integrates affordable housing, local health centers, educational facilities, and commercial spaces, building thriving neighborhoods where everyone can flourish.

## OUR COMMITMENT TO YOU

Health Kiosk For All Inc. is not just a healthcare service provider, we are your partner in wellness. We collaborate closely with local governments, community groups, and healthcare professionals to design services with you in mind.

By aligning our initiatives with key United Nations Sustainable Development Goals (SDG 3: Good Health and Well-being; SDG 4: Quality Education; SDG 5: Gender Equality; SDG 11: Sustainable Cities and Communities; and SDG 17: Partnerships for the Goals), we are dedicated to creating lasting, positive change that benefits you and your community.

# WHY CHOOSE US?

- **Accessibility:** Our digital platforms and mobile kiosks ensure that high-quality healthcare is available anytime, anywhere.
- **Comprehensive Care:** From preventive health education to advanced diagnostics, we offer a complete range of services tailored to your needs.
- **Community Focus:** We build strong, healthy communities through sustainable, replicable models customized to local conditions.
- **Expert Team:** Our experienced professionals are dedicated to improving health outcomes through personalized, compassionate care.
- **Proven Impact:** With a successful track record across multiple regions and a growing list of strategic partnerships, we are a trusted leader in community health innovation.

## PAST PERFORMANCE AND ACHIEVEMENTS

Our proven track record highlights our ability to execute complex, multi-stakeholder projects across diverse regions. We have successfully:

- Developed a Monitoring & Evaluation framework for a \$75M World Bank-funded project in Afghanistan.
- Collaborated with the Bill & Melinda Gates Foundation on the REACH program to enhance HIV/AIDS interventions.
- Conducted health surveys and market studies that have driven high acceptance rates for our self-check health kiosks.
- Delivered extensive health workforce training and resource mobilization initiatives across over 25 countries, securing multi-million-dollar funding for health and HIV/AIDS programs.

## FUTURE GROWTH STRATEGY AND INVESTMENT OPPORTUNITIES

Building on our solid foundation, our growth strategy focuses on scaling our successful models and entering new markets. We plan to:

- Expand our One-Stop-Shop Senior Citizens Center model into additional regions.
- Enhance our digital health service offerings by integrating advanced telemedicine and diagnostic capabilities.
- Roll out our Sustainable Multi-Purpose Smart Village Program as a replicable model for holistic community development on both domestic and international fronts. These initiatives are engineered to deliver strong financial returns alongside significant social impact, making them highly attractive to strategic investors.

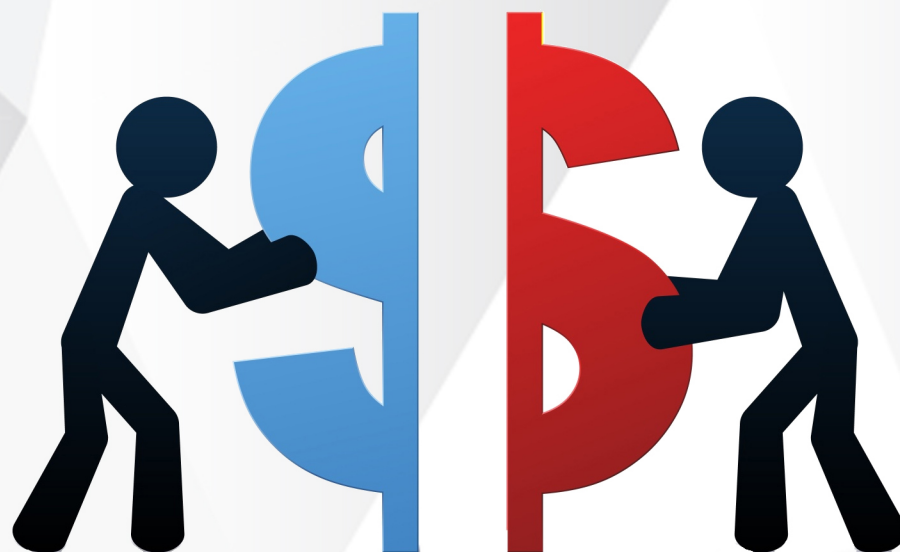

## LEADERSHIP TEAM

Our leadership team comprises seasoned professionals with decades of combined experience in global health consulting, project management, and capacity development. They possess a deep understanding of both local and international healthcare challenges and are committed to steering Health Kiosk For All toward continuous innovation and sustainable growth.

## STRATEGIC PARTNERSHIPS AND COLLABORATIONS

Our success is bolstered by robust strategic partnerships with international funding agencies, government bodies, and private-sector leaders. These collaborations enhance our operational capabilities, extend our market reach, and reinforce our credibility as we scale our solutions globally.
